

BLACKFEET COMMUNITY WATER PROJECT
BCWP P1-002 East Glacier Water Line/Tank
Contractor - Chief Construction Specialties, Inc.

December 23, 2002

This excavator opened up 1,000 lf of ditch in a shift.

Bucket has cable to pipe/valve, lifts and sets in trench.

This fairly deep/steep area has been trenched and pipe laid over weekend.

Carole Boerner (white hat) observing compaction testing. Tests indicated meeting/exceeding requirements. Carole monitored work over this past weekend.

Photos taken 12/20/02

Contractor is nearing completion of installation of 12" HDPE and should be starting on 20".

Weather continues to cooperate. Contractor indicates frost has reached 18" in areas where there has been equipment traffic.
